### I. POLICY STATEMENT

Possession and/or consumption of alcohol and/or other drugs at athletic events is prohibited unless permitted by university policy. This policy addresses consequences for students who violate this policy and/or who are disorderly or visibly intoxicated.

### II. POLICY PRINCIPLES

The goal of this policy is to promote a safe, healthy and positive experience for all who attend Auburn University athletics events.

### III. POLICY PROCEDURES AND SANCTIONS

Students who possess and/or consume alcohol and/or other drugs, are visibly intoxicated and/or are disorderly upon entering and/or during an athletic event will have their ticket privileges revoked for that game and will be removed from the event.

In addition, students will be referred to the Office of Student Conduct for possible disciplinary action per the processes outlined in the [Code of Student Conduct](#). For students found in violation of this policy, conduct outcomes will be applied including but not limited to revocation of season and post-season ticket privileges (2nd offense) and permanent revocation of all athletic ticket privileges (3rd offense).

In addition, individuals who violate local, state, or federal alcohol and other drug laws may be subject to arrest by law enforcement officials irrespective of any action taken per the [Code of Student Conduct](#).
