## General

Auburn University hosts a wide variety of camps, clinics, workshops, and conferences each summer. This policy statement is intended to provide guidance to those involved in certain types of these activities. For purpose of definition, this policy covers the following types of summer programs:

- a. Those which include minor child participants under the age of nineteen (19) years who are at Auburn University for some type of instructional program involving use of key facilities such as the Student Activities Center or the Auburn Arena, and/or
- b. Those in which participants remain overnight in on-campus residence halls.

Though it may be useful for other summer programs to abide by some or all of these policy guidelines, the policy was developed with the above groups specifically in mind.

## Guiding Philosophy

The intent of Auburn University is to encourage the use of its facilities, on a space available basis, for summer youth programs. Though such programs should not take precedence over programs designed for enrolled students, there are many important reasons why the summer camp program is to be encouraged by the University and its employees. Summer youth programs provide the following benefits for the University:

- Summer programs attract many young professionals to the University, many of whom will be highly qualified for future University admission;
- Impressions gained by young people as a result of a summer camp and Auburn experience can have a significant impact on their choice of college;
- Facilities which would otherwise be relatively idle during summer months can be used in support of youth programs that are available to the public;
- Summer programs provide an excellent opportunity to acquaint a large number of people with Auburn University in a short period of time;
- Outreach efforts (particularly those aimed at youth), and faculty involvement in same, can be promoted, and
- The reputation of Auburn University is enhanced by effective summer youth programs.

## Special Care

In many cases, summer programs attract youth under the age of 19 to campus. The level of care and supervision appropriate for an enrolled student at the University is not necessarily the same as that which is appropriate for a summer camp participant, even though the oldest camp participants are sometimes older than the youngest of our enrolled students. It is imperative that campers be overseen in a fashion that is appropriate and intended to keep them healthy and safe while visiting the University. Auburn University and its employees should provide a reasonably safe environment for participants in the various programs sponsored by the University and attempt to ensure that clients using University facilities for their activities do the same.

## Eligibility

Any University department or agency is eligible to conduct summer youth programs intended to promote the mission of Auburn University. An outside person or organization wishing to use University facilities to conduct a camp, clinic, workshop, or conference on the Auburn University campus must have a **Campus Sponsor**.

## Campus Sponsor / Camp Director

A **Campus Sponsor** must be a University agency or a registered group of student, staff, or faculty members that is willing to act as liaison between the University and the **Camp Director** for the activity. Specific responsibilities of the **Campus Sponsor** are described on Page 7 of this policy manual. All arrangements for campus support should be made by the **Campus Sponsor** and all bills associated with the camp should be paid by or from the account of the **Campus Sponsor**. The **Camp Director** is the individual who is directly responsible for the camp--this may or may not be someone with University affiliation. The **Campus Sponsor** should serve as the liaison with all University agencies providing support to the activity. In the event a group desiring to conduct a camp at Auburn University does not have a **Campus Sponsor**, the group should be referred to the Auburn University Office of Professional and Continuing Education, the designated unit at Auburn University for providing such camp liaison and support. All groups conducting summer youth programs on campus of the type covered by this policy will need to have a **Certificate of Sponsorship** (see Appendix A) completed and signed by a representative of the University agency or group sponsoring the activity in order to reserve facilities on campus.

## Request For Approval

After obtaining campus sponsorship, the next step for any **Camp Director** is to submit a copy of the **Certificate of Sponsorship** along with a completed **Request for Facility Use Form** (see Appendix A) to the Summer Coordinating and Scheduling Committee, 301 O.D. Smith Hall, Auburn University. Request should be made by using the AYP Resource link. Complete the Summer Program Scheduling Form.

The **Request for Facility Use Form** should include an account number or billing address. **Standard policy is for an incoming camp to gain access to reserved facilities after 1 pm on the first day of camp and to release access no later than 12 noon on the last day of camp.** In order to be considered during the normal scheduling cycle, the form should be submitted no later than October 15<sup>th</sup>. Requests received by that date will be considered by the Summer Coordinating & Scheduling Committee when the master schedule for the following summer is developed. Requests received after that date will be considered on a space available basis. The approved Summer Schedule is announced no later than November 16<sup>th</sup> each year.

## Priority for Facility Use

Priority for facility use at Auburn University will be given to internal activities, particularly academic activities that are intended for Auburn University students. Beyond that, the Summer

Coordinating & Scheduling Committee is tasked to make decisions about which requests are to be given priority when there are competing demands for facilities. Every attempt will be made to arrange a mutually satisfying solution among all parties. In the event that is not possible, a decision will be made which is in keeping with the best interests of Auburn University. Any requests for facility use in support of a commuter or day camp should clearly indicate the camp is not residential. **During the summer camp season, which is generally defined as the times when residence halls are available for camper use, priority for facility use will be given to residential camps.** Consideration will be given, when appropriate, to past experience with a client and a realistic assessment of the ability of each activity to produce the benefits, which the University attempts to derive from its summer youth program.

## Reservation Housing Deposit

**In order to reserve facility space for summer youth programs, a non-refundable deposit is required. The deposit amount for each camp will be the smaller of \$500 or 25% of the anticipated cost of the facilities requested. The check for deposit should be made payable to Auburn University and submitted with the Request for Facility Use Form.** The deposit will be applied toward the cost of facility usage for the camp. If the program is canceled, or significantly reduced in size, there will be no refund of the deposit or the difference between the deposit amount and the cost of facilities used. If the camp is held, the deposit amount will be credited toward the amount of the balance due for camp services.

## Fees for Facility Usage

Information concerning current fees for food services and housing is provided in Appendix B and Appendix C, respectively. The fee structure will be updated by October 1<sup>st</sup> each year in order that those requesting facilities for the next summer will have accurate planning information on which to base their request for facility usage. Until October 1<sup>st</sup>, Auburn University reserves the right to change the applicable fees for the following summer.

## Final Arrangements

By April 1<sup>st</sup>, **Camp Directors** are expected to contact the Housing managers of Auburn University facilities in order to provide updated estimates of attendance and to provide continuing indication that the program is still being planned. Any anticipated need to accommodate more than the number originally estimated should be communicated to the appropriate facility manager(s) as soon as possible. **Auburn University cannot guarantee space will be available for any number beyond the original estimate.**

**Camp Directors** planning to use campus lodging and/or dining services are required to provide a guarantee for the number of participants at least one full week prior to the start date of the camp. The camp will be billed for the guaranteed number of participants or the actual number attending, whichever is greater. Due to additional costs involved, there may be surcharges if a camp exceeds the guaranteed number of participants.

## Appropriate Camp Environment

In order to provide a reasonably safe environment for participants in summer camp activities, each **Camp Director** should ensure that certain precautions are taken. All campus rules and regulations are in effect. Other precautions that should be considered are:

### Qualified Counselors/Staff

- Background screening must be accomplished for those who will be directly involved with children.
- Auburn University is committed to ensuring the safety and well-being of minors who are entrusted to our care or visit our campuses. Please see Auburn's policy on minors on campus:
- <https://sites.auburn.edu/admin/universitypolicies/Policies/YouthProtectionPolicy.pdf>
- Care should be taken that those who will be driving as a part of their duties have a valid license to operate the type of vehicle to be used [Note: Risk Management & Safety at Auburn University offers Defensive Driving Training. For more information, visit <http://www.auburn.edu/administration/rms/>]
- Adequate training should be provided in order that staff members are qualified to direct the activities scheduled.

### Parent Awareness

- Parents should be aware of the type of activities in which their child may participate;
- Known risks associated with each activity should be clearly explained to parents;
- Safety instructions should be made available and should be easily understood; and
- Waivers (Hold Harmless Agreements - see Appendix H-2) must be signed by all participants (or parents when participants are under the age of 19).

### Participant Guidelines

- Current physicals are required for camps involving vigorous athletic activities;
- Participants should be in appropriate physical condition for the activity they are participating;
- Participants should be placed in the correct skill level for the activity scheduled, and
- Questions designed to ensure a participant's level of ability are appropriate, however questions about disabilities are not.

### Participant Safety

- An adequate ratio of staff to participants should be maintained **at all times**; particularly when in residence halls. In accordance with the American Camp Association, the ratio of program staff to program participants must reflect the gender distribution of the participants, and should, at a minimum, meet the following:
  - Standards for resident camps are:
    - One staff member for every five campers ages 4 and 5
    - One staff member for every six campers ages 6 to 8
    - One staff member for every eight campers ages 9 to 14
    - One staff member for every 10 campers ages 15 to 18

- Standards for day camps are:
  - One staff member for every six campers ages 4 and 5
  - One staff member for every eight campers ages 6 to 8
  - One staff member for every ten campers ages 9 to 14
  - One staff member for every twelve campers ages 15 to 18
- Water related activities require certified lifeguards;
- Safety equipment should be inspected prior to and during camp for safe conditions;
- Auburn University has extensive guidelines for emergencies to help the university respond appropriately and help you prepare for hazards that may impact your camp. Information on these guidelines can be found at [www.auburn.edu/emergency](http://www.auburn.edu/emergency).
- Public safety officials should be made aware of the camp and the daily schedule (see section titled ‘Security’ on page 9); and
- Acceptable procedures for releasing children from camp should be followed (pay particular attention to procedures followed in accepting/releasing commuters).

### Safe Environment

- Grounds should be inspected prior to and during the camp for safe conditions;
- Equipment should be kept in safe condition and suitable for intended use; and
- Vehicles used for transportation should be properly inspected.

## Disciplinary Procedures

Auburn University is committed to the idea that each camper should have a positive and enjoyable experience at summer camp, and the misbehavior of one camper, or a group of campers, should not be allowed to impact negatively on the experience of others. Most camps are short in duration, so prompt action may be required. Parents and campers should be aware of the disciplinary policy. It is recommended that parents and participants sign a form such as that found in Appendix H-5 to indicate they clearly understand the disciplinary procedures to be followed.

## Responsibilities of a Campus Sponsor

The **Campus Sponsor** will:

1. Serve as liaison with all University agencies supporting camp;

## Responsibilities of the Camp Director

The **Camp Director** will:

1. Provide counselors and staff for the camp. Following the ratio of staff to campers provided above.
2. Inspect camp facilities immediately prior to and after the camp session;
3. Advise participants of appropriate check-in and check-out procedures including charges for damages and lost keys;
4. Familiarize participants with University policies, especially those pertaining to fire and emergency evacuation procedures, appropriate conduct, possession of controlled substances and fire arms, and authorized entry into rooms;
5. Maintain discipline of participants;
6. Advise Resident Manager (or University contact) of supply and maintenance issues in residence hall;

10. Furnish the **Campus Sponsor** with a camp roster as soon as possible but **no later than** twenty-four (24) hours after camp check-in begins; and
11. Ensure that programs and activities conducted on the University campus are in compliance with the Americans with Disabilities Act.

## Responsibilities of the Resident Manager

The **Resident Manager/Resident Assistant (RA)** will

1. Issue keys and make room assignments as needed to provide the best possible service to campus guests;

The Village Dining Hall and the Student Center Food Court are the primary dining locations for most camp meals, but other types of dining service can be made available. Catering is available through Tiger Catering. For Catering options and rates, please contact Tiger Catering at [Gafney-rachel@aramark.com](mailto:Gafney-rachel@aramark.com)

## Lodging

Auburn University Housing will make residence hall lodging available to camps on a space available basis during the summer months. See Appendix C for current rates for lodging. See Appendix D for current guidelines and procedures to be followed in assigning campers to lodging on campus. **Camp staff is solely responsible for providing supervision and security in the residence halls.** Each residence hall has a Resident Manager (RM) that can assist with logistical and maintenance requests. Campers will be issued individual room keys. Camp staff will be provided access cards to the external doors of assigned buildings. As a security precaution, external doors are kept locked 24 hours (from the outside) except during registration to allow for free movement as campers check in.

## Program Evaluation

Where feasible, participants should be asked to complete an evaluation at the end of the camp. The results should be summarized, analyzed, and retained by the **Campus Sponsor** as a measure of participant satisfaction. These evaluations should be used to improve overall camp operations.

## Billing Procedures

After the summer program is completed, invoices for services rendered will be submitted to the **Campus Sponsor**. If the **Campus Sponsor** is acting on behalf of an organization that is not directly associated with Auburn University, the **Campus Sponsor** will be responsible for securing payment from the organization sponsored. Payments will be due within 30 days of the invoice date. All checks should be **payable to “Auburn University”** and a copy of the applicable invoice should be enclosed with payment.

## Parking

All camp participants are required to abide by University parking regulations while on campus. **Campus Sponsors** should ensure that campers, coaches, counselors, staff, volunteers, and parents are aware of pertinent parking regulations. All should be advised of areas in which they should park their vehicles while on campus. To coordinate parking plans with Parking Services, Campus Sponsors should complete and submit a Summer Request for Parking Form to Parking Services (see Appendix E).

If camps include participants who are under the age of 19 and will be remaining overnight on campus, care should be taken by the **Camp Director** to ensure that no unauthorized use of vehicles

occurs during the period camp is in session. If keys are collected, they should be secured in a responsible fashion and returned to the campers at the end of the camp session.

## Security

Security, in general, will be the responsibility of the camp staff and Auburn City Police. During the program day, camp staff will be expected to stay with campers at all times except for specific programmatic activities in which it might not be reasonable or appropriate to remain with them; e.g., shopping at the Mall, certain types of recreational activities, etc. **If such unsupervised activities are planned, care should be taken to make sure each child's parent(s) are made aware of it and agree to have the child participate.** At night, a sufficient number of camp staff/coaches/sponsors/counselors should remain with youth campers in the residence halls to provide control and security. In order that Auburn City Police may assist in providing security, the Emergency Locator List for Auburn University Summer Camps (see Appendix F) should be provided to them by the **Campus Sponsor** no later than 3 hours after Camp Registration ends and include the following information:

- Name of the camp
- Contact persons and phone numbers
- Locator list indicating where campers are staying overnight
- Daily schedule

In order to put the information in the appropriate hands, the **Campus Sponsor** or **Camp Director** should call the Auburn City Police Public Safety Communications Division (334-501-3100) to advise that Emergency Locator List for Auburn University Summer Camps form will be emailed. The list should then be emailed to [communications@auburnalabama.org](mailto:communications@auburnalabama.org). This information will allow the Auburn City Police to better respond to emergency phone calls; to recognize camp participants; to inform patrols of campers' whereabouts; and to be alert for unusual activity in the vicinity of the camps.

## Accident Insurance

Auburn University Risk Management can provide accidental insurance for camp participants on an excess basis for a contracted rate. In the event of injury requiring treatment, hospitalization, or surgery, family medical insurance must be used on a primary basis. For more information, contact Risk Management. Risk Management will assess the camp(s) offered and will insure your campers for a contracted rate. (Example: AYP purchases an accidental insurance policy each summer that covers participants in all AYP managed summer camps.)

## Insurance Requirements

The vendor shall, at own expense, procure insurance of the kinds and limits listed below. ## Certificate of Sponsorship

I, the undersigned, am acting as representative of a University department/agency or registered group of student, staff, or faculty members that is willing to assume the responsibility of serving as **Campus Sponsor** for the camp activity described below. I understand that, as **Campus Sponsor**, my organization is guaranteeing funds will be made available to cover all costs associated with the camp program. A non-refundable deposit in the amount of **\$500/camp** (payable to Auburn University) is enclosed for the purpose of reserving the Auburn University facilities specified on the attached **Facilities Request Form** for this camp. I understand the deposit will be refunded in full if Auburn University is unable to reserve the facilities as requested. If the camp is scheduled and the camp is held, the deposit will be applied against camp costs. If the camp is scheduled and later canceled, the deposit will be forfeited.

1. To serve as liaison with all University agencies supporting the camp;
2. To coordinate arrangements for use of University facilities in accordance with University scheduling;

8. To be accessible in emergency situations;
9. To maintain necessary reports and documentation;
10. To assist, as required, with check-out of campers;
11. To check on any damages reported;
12. To coordinate approval of invoices for University services and facilities.

## Summer Camp Food Service Guidelines and Forms

Independently sponsored groups needing Dining Service for summer camps must contact Tiger Dining at 334-844-4775 or [Crowe-Michelle@aramark.com](mailto:Crowe-Michelle@aramark.com).

- An initial food guarantee for camp must be submitted to coordinate the dining request.
- A final guaranteed number of camp participants must be provided to Tiger Dining five (5) business days prior to the first meal.
- The guaranteed number should include anyone connected with the camp that plans to eat (including campers, counselors, trainers, helpers, etc.). There will be a 75¢ surcharge per camper per meal for any count below or exceeding the guarantee by more than 10%.
- The billable number for every meal will be the higher of the final guarantee or the actual number of participants eating the meal. A representative of the camp must be available during the meal period to assist with taking a count for the group. The count will be agreed upon at the end of the meal period. Any disputes involving meal count must be resolved within 24 hours.
- If a camp is cancelled, a minimum of 48 hours' notice is required. If the notice is not given, the camp will be charged for the guarantee or 100 participants, whichever is greater, for missed meals.
- A minimum of 100 camp participants per meal is required in order to open the dining facility.
- For your protection, each camper should have a visible means of identifying the camp he/she is attending. This will assist us in making sure we charge each camp for only their participants.

All meal times must be adhered to. Any changes are to be made 36 hours prior to the first meal. If the notification deadline is not met, the group will be billed in accordance with the guarantee provided. There will be no reimbursement for missed meals.

**To communicate food service needs, all camps are required to provide Tiger Dining an initial and final Food Service Reservation Form found at:**

**<https://www.auburn.edu/outreach/opce/auburnyouthprograms/campplanning.htm>**

Tiger Dining is responsible for coordinating meal times with camp groups. To the extent possible, an attempt will be made to accommodate groups by coordinating meal times to meet their schedule or needs. In the event there are conflicts, Tiger Dining will work with groups to coordinate amended meal times. Adhering to scheduled meal times will be the responsibility of each Camp Director. If a group arrives at other than their scheduled time, they may be required to wait for other groups. The unscheduled group will NOT be allowed to pre-empt another group from a previously arranged mealtime.

Tiger Dining will issue declining balance cards for camps that dine at the Student Center. Card

will be returned to Tiger Dining Services once camp is complete. There is a **\$10 replacement fee** for each card not returned.

## Housing Fee Schedule

The fee for lodging in the *Hill and Quad Dormitories* is **\$25 per person, per night**. If a **firm** guarantee is provided by the **Campus Sponsor** or the **Camp Director** at least 5 working days prior to the start of camp, a reduced rate will be provided for the guaranteed bed-spaces. In such case, lodging charges will be determined as follows:

- a. Client will be charged **\$20 per person per night** for the number guaranteed.
- b. If additional campers register (and additional lodging space can be made available), the client will be charged at the rate of **\$25 per person per night** for any additional bed-space used.

The fee for lodging in the *Village Dormitories* is **\$35 per person, per night**. If a **firm** guarantee is provided by the **Campus Sponsor** or the **Camp Director** at least 5 working days prior to the start of camp, a reduced rate will be provided for the guaranteed bed-spaces. In such case, lodging charges will be determined as follows:

- a. Client will be charged **\$30 per person per night** for the number guaranteed.
- b. If additional campers register (and additional lodging space can be made available), the client will be charged at the rate of **\$35 per person per night** for any additional bed-space used.

Note: The rates are based on double occupancy (two persons to a room). There will be no additional charge if single occupancy results from a forced deviation (e.g., there is an odd number of campers, adults are spaced in order to provide supervision, campers are assigned to a designated single room, etc.).

The fee for a **lost room key/swipe card** is **\$50**.

For purpose of explanation, consider the situation in which a guarantee of 100 is given by the client. If 95 campers actually attend the camp, the lodging fee will be \$2,000 (\$20 per night for the guaranteed 100 spaces). If 110 campers actually attend the camp, the lodging fee will be \$2,250 (\$20 per night for the guaranteed 100 campers and \$25 per night for the 10 “extra” bed-spaces used).

## Housing Guidelines and Procedures

### General

Auburn University's residence halls are designed to provide reasonable security for tenants; the door to each room locks when closed and each resident is provided with a key to their assigned room. In most cases, accommodations are "suite type"; i.e., two 2-person rooms share a common bath. There are also a limited number of single room accommodations and rooms specifically for wheelchair accessibility.

The information herein is intended to be guidelines for those planning and conducting summer camps which use Auburn University residence halls for lodging. Experience has shown that summer camps bring a great variety of tenants to campus residence halls. A policy which seems entirely reasonable for use with campus students (or high school-aged campers) might be arbitrary and ridiculous for a camp that includes married couples or families with young children. These guidelines, therefore, are not intended to be strict requirements.

### Room Assignment Guidelines

- Two people will be assigned to each double room. *\*Exceptions to double occupancy may be made when circumstances require individuals providing supervision to be assigned to separate floors of the residence hall.*
- Except in cases involving family members or staff assigned to provide supervision and/or control of campers, every effort will be made to assign male and female campers to different residence halls.
- If male and female campers are assigned to the same residence hall, control is facilitated by assigning male and female campers to different floors. If this is not feasible, every effort will be made to confine exceptions to single gender floors to the first floor of the residence hall.
- Single rooms will be used to deal with unusual lodging situations.
- Unrelated males and females will not be assigned to rooms where they would share the same bathroom.

### Assignment Procedures

After the guarantee has been received from a camp client, the **Campus Sponsor** will be provided with lodging information for the camp. It will include the names and locations of the residence halls assigned, a diagram of each residence hall (for use in making room assignments), and information pertaining to the administrative expectations of Auburn University Housing.

It is expected that the **Camp Director** will ensure rooms are assigned in a way that is consistent with the guidelines stated above. **The principal concern is that assignments be made in a manner that is designed to promote the well-being of all concerned.**

## **RULES camp participants and parents need to know:**

1. Participants are not allowed to drive or ride in personal vehicles during the dates of the program unless they receive specific permission to do so from the Camp Director. While we understand that some participants will drive to the campus, our policy is that they must turn their car keys into the Camp Director for the duration of the workshop. **Any vehicles parked on campus must have a University Parking Permit.** Parking permits will be issued during on-site registration, and clear instructions will be given as to where parking is authorized. **It will be the responsibility of the participant to secure a permit, properly place the permit in the vehicle, park the vehicle in an authorized space, and turn the keys in to the Camp Director for safekeeping during the program. Neither Auburn University, nor the camp staff, will be responsible for damage to vehicles or for any parking tickets, fines, or towing charges that result from violations.**
2. Participants are to remain on campus for the duration of the program unless program activities require otherwise. If a participant needs to leave campus for some reason, Camp Directors must receive prior written permission from the parent or guardian, and grant specific permission.
3. Campus regulations prohibit the use of alcohol and other illegal substances. Participants may not possess, use, distribute, or sell alcoholic beverages, drugs, firearms, weapons or fireworks.
4. Coed visitation in the residence halls is permitted in the first floor lobby area only. The only people permitted in rooms are staff, members of the participant's immediate family, the participant's roommate and other participants of the same gender residing in that residence hall.
5. Participants must attend all workshops, classes, and planned social or recreational activities. Full participation is the only way a participant can gain real value from the camp.
6. Participants will refrain from using electronic devices (i.e. cell phones, iPads, computers, etc.) during instructional periods unless authorized by camp counselors or university faculty and staff.
7. Participants will abide by nightly curfews and "Lights Out" announcements from the Camp Director or Program Counselors. Participants must be in their OWN room at lights out and remain there until morning. Any use of cell phones or other electronic devices is prohibited after 'Lights Out.'
8. Participants must never misuse internet privileges. Attempting to access unauthorized sites is strictly prohibited.
9. The use of cameras, imaging and digital devices is prohibited in locker rooms, restrooms, and anywhere privacy is expected by participants or program personnel.
10. Participants must abide by rules and guidelines set by the instructors for each academic facility in use.
11. In accordance with state law, smoking is prohibited by anyone under the age of 21. Smoking is not permitted on the Auburn University Campus.
12. Any individual found tampering with any fire equipment (i.e. fire extinguishers, fire alarms, smoke detectors, etc.) will be dismissed from camp immediately. Participants may not interfere with any security system or tamper with locks in participant rooms and other areas.
13. All furniture must remain unchanged and kept in place.
14. Vandalism and pranks will not be permitted. Any damages caused in rooms or common areas will be charged to the responsible party. Replacement cost will be charged to anyone who removes or damages University property.
15. Participants should keep their rooms locked at all times even if leaving the room for only a few minutes. Neither Auburn University, nor the camp staff, is responsible for lost or stolen items. A participant should take room key when leaving room. Those who lose a key must pay for a replacement. Leave excess money and valuables at home. Valuables, including jewelry, cell phones, iPads, laptops, etc., may be brought to camp, but only at participant's own risk.
16. Harassment, violence, sexual abuse, hazing or bullying of campers or staff will not be tolerated.

**MEDICAL:** In cases where medical attention is necessary, parents will be contacted for approval when possible. We require completion of a medical release form signed by the parent or guardian in order that we may react responsibly in an emergency situation.

I understand and acknowledge that COVID-19 is a global pandemic for which the President of the United States and the Governor of Alabama have declared emergencies. COVID-19 is reported to be extremely contagious. The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and/or by contact with contaminated surfaces and objects, and even in the air. People reportedly can be infected and show no symptoms and therefore spread the disease and there is no known treatment, cure, or vaccine for COVID-19. Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death. I further understand and acknowledge that COVID-19 is a public health risk, and Auburn University cannot prevent me from becoming exposed to, contracting, or spreading COVID-19 while participating in the above Program/Event/Activity (Hereafter "Program").

With full appreciation of these facts, and in consideration for my participation, I knowingly and voluntarily assume all risks associated with my participation, including but not limited to, the risk of illness, death, bodily injury, disability, or exposure or infection with COVID-19. Participation in this Program is of such value to me that I accept the risk of being exposed to, contracting, and/or spreading COVID-19 in order to participate. With full understanding of the aforementioned risks, I knowingly and voluntarily waive and release the Auburn University, its Board of Trustees, Administration, Faculty, Staff, Student Leaders, the Program Staff, and all other officers, directors, employees, volunteers and agents (hereafter "Auburn") from all present and future claims of any type for any harm or loss, including but not limited to, economic loss, personal injury, disease, death, or property damage suffered by me during my participation in this Program.

I agree to indemnify, hold harmless, and covenant not to sue Auburn for any personal injury, death, medical expenses, disability, loss of capacity, property damage, court costs, attorney's fees, or other loss arising out of my participation in this Program.

I understand that my participation in this Program is voluntary and that I will at all times follow all safety requirements, policies, and guidelines of Auburn required for participation. Failure to comply may result in denial of access to or removal from the Program.

By my signature below, I certify that have read and fully understand this waiver and release and understand that it affects my legal rights. I understand and acknowledge that this waiver and release shall be binding on me, my heirs, family, estate, representatives, and assigns.

## Auburn University Summer Camp Disciplinary Procedures

Each camper has a reasonable expectation to enjoy a positive camp experience. Therefore, the misbehavior of one camper, or a group of campers, should not be permitted to impact negatively on the camp experience of others. Most camps are short in duration, so prompt action is required when problems occur. Parents and campers should be aware of the disciplinary policy.

**First Offense:** Campers failing to adhere to camp rules, or exhibiting behavior clearly intended to annoy or endanger other campers, will be privately and formally warned by a Camp Counselor and informed that subsequent misbehavior will result in formal counseling by the Camp Director.

**Second Offense:** Subsequent misconduct will result in counseling by the Camp Director and a warning that further misconduct will result in removal from camp. At this point, the Camp Director will contact the parent or guardian to advise him/her of the situation and the possible need for picking the child up from camp if there is further misconduct.

**Third Offense:** Any further inappropriate behavior will result in counseling by the Campus Sponsor of the camp and expulsion from camp.

NOTE: AUBURN UNIVERSITY EXPECTS EACH CAMPER TO HAVE A SUCCESSFUL CAMP EXPERIENCE. ANY OF THE STEPS OUTLINED ABOVE MAY BE OMITTED OR REPEATED AT THE DISCRETION OF CAMP STAFF. CAMPERS DISMISSED FROM CAMP FOR DISCIPLINARY REASONS WILL NOT RECEIVE A REFUND OF ANY FEES PAID TO ATTEND CAMP.

It should be understood this procedure is intended to provide a reasonable and consistent method for dealing with the type of behavior that can be disruptive to a camp, but is not so egregious as to warrant immediate dismissal from camp. It in no way precludes immediate dismissal from camp for more serious disciplinary problems or violations of campus or camp regulations. A serious disciplinary problem is defined as one in which the camp staff determines that a child is engaging in inappropriate behavior that includes, but is not limited to the following: actions which put the camper, other campers, or camp staff member's safety in jeopardy; inflicting physical or emotional harm on self or others, vandalism or destruction of University property; theft of University property or the property of another camper; consistently disrupting the program; possession of alcohol, drugs, or weapons; fighting; sexual harassment; sexual misconduct, or behavior that is serious enough to warrant a third offense.

### Parent and Student Pledge:

*I/we understand the disciplinary procedures described above. I/we understand failure to demonstrate proper conduct during camp may result in early dismissal from camp without any refund of fees paid to attend. We pledge to abide by all camp rules and to exercise good behavior and proper respect for others.*
