I. POLICY STATEMENT

Auburn University is committed to providing a safe and healthy campus environment for its students, faculty, staff, and visitors. With the Auburn Creed as its foundation, the university promotes obedience to the law, mutual helpfulness, and respect. In accordance with the [Alabama State Hazing Statute](#), Auburn University prohibits all forms of hazing. The purpose of this policy is to define hazing and outline the procedures for reporting and adjudicating instances of hazing that may occur within the university community or between members of the university community.

II. POLICY PRINCIPLES

Auburn University seeks to ensure that hazing is not permitted as part of the experience of being a student, a member or potential member of an organization, an advisor, an athlete, a volunteer, or a person otherwise affiliated with the university community.

The following principles apply to this policy and the procedures herein:

- A. Students, university employees, student organizations, and individuals associated with student organizations (e.g., chapter advisors, volunteer coaches, club team coaches, etc.) are prohibited from hazing;
- B. Anyone with knowledge about a hazing incident is expected to report the incident to Student Conduct and/or local law enforcement officials;
- C. Responsibility for hazing can fall to the individual member(s) of the university community and/or to organizations that are part of the university community;
- D. If a student or student organization is found responsible for violating this policy and a local, state, or federal law, any conduct finding will not be subject to

change because criminal or civil charges arising out of the same fact pattern were dismissed, reduced, or resolved in favor of or against a student or student organization;

- E. Individuals who are victims of hazing and who truthfully report the activities shall not be individually charged with a violation of this policy;
- F. Retaliation in any manner against an individual who reports hazing, an individual about whom the hazing was reported, or an individual who participates in a hazing investigation is strictly prohibited;
- G. Making an intentionally false accusation of hazing is prohibited. Student violators are subject to disciplinary action per the Code of Student Conduct. University employees and other violators would be subject to other applicable disciplinary processes.
