

## **Policy on Bachelor's Degree Requirements**

To earn the bachelor's degree from Auburn University students must complete the requirements of the university's Core Curriculum, and they must choose a curriculum and complete its requirements and those of the college or school with at least a 2.0 average in all Auburn courses attempted, at least a 2.0 average on transfer credits accepted for their degree program, and a 2.0 average in all course work in the major. These requirements are university requirements. Individual colleges, schools and departments may have higher requirements. Credits required for graduation are at least 120 hours. The student's dean clears subject and non-course requirements in the curriculum; the registrar, together with the dean's office, clears total hours, GPA, and freshman English. A list of specific courses identified as major courses in each curriculum is available in the appropriate dean's office.
