

Policy on Students Transferring from Auburn University Montgomery (AUM)

Undergraduates enrolled at either of Auburn's campuses may take classes at either campus, if they are in good standing, and approved by the home campus, and have that credit count toward their graduation requirements. This policy does not supersede departmental requirements related to the minimum number of credits to be earned in the major at the home campus. During such terms when students take classes at the other campus, they are classified as transient students. Students must complete an admission application as a transient student; however, the application fee will be waived. To become a degree-seeking student on either campus, however, students must meet minimum transfer requirements.
